NEWTON 21 Group

INVESTOR RELATION / CORPORATE GOVERNANCE

Jean-Claude SAULI

Member of the board

Independent member of the Board of Newton 21 since 2008. Jean-Claude Sauli, the founder of Vivactis Group, has started with the creation of “S2L Santé” in 1988.

Later on he has developed this company into Vivactis Communication Group by joining to S2L Santé, a number of specialised healthcare communication and marketing companies.

In the beginning of 2008 this group counted 10 specialised entities.
